

Directions from NJ Turnpike:

Take Exit 8 (Freehold / Hightstown). After toll, stay to right - take Rt. 33 East, toward Freehold approximately 14 miles (Do not take Business Rt. 33 when given option...stay to left and continue on Rt. 33 Hwy). Take the exit for Halls Mill Road North. At the first light turn left onto Willowbrook Road. Take left into entrance for Monmouth Executive Center. Take second right and proceed to end of parking lot, GeoTrans / Cosentini office is last sign on the right.

Directions from Route 18:

Take Route 18 to exit for 537 west (Freehold). In approximately 1.1 miles turn right onto access ramp for Kozloski Road. Follow through traffic light Kozloski Road will turn into Halls Mill Road. After approximately 1 mile cross RR tracks, and turn right at the light onto Willowbrook Road. Take left into entrance for Monmouth Executive Center. Take second right and proceed to end of parking lot, GeoTrans / Cosentini office is last sign on the right.

From Garden State Parkway (GSP) Heading Southbound (from New York, Newark, etc.):

Take GSP south to exit 123 (RT 9 south). After approx 8 miles (I'm guessing...just after the Denny's and A&P on the right) bear left onto 18 south for about 7.5 miles, and follow directions above for Rt 18.
